HARD SHELL JACKET FR-GT

HARD SHELL JACKET FR-GT

Wild Things Hard Shell Jacket FR-GT is designed for maximum movement capability. Fitted and cut for agility, this stowable-hood jacket follows the contours of the body for comfort and performance. Gore's 2-Layer construction combines durably waterproof, windproof, and breathable GORE® Military fabric with flame resistant PYRAD® - a revolutionary, self-extinguishing technology that provides protection against arc flash and flash fire exposure.

SIZES: S, M, L, XL, XXL

STYLES: 50286 (MULTICAM®), 60286 (COYOTE)

All outerwear features Air Force Velcro configuration

RESCUE JACKET FR-GT

Wild Things Rescue Jacket FR-GT is engineered to keep you and your gear dry. Made of lightweight, waterproof, breathable GORE® PYRAD® fabric with flame resistant technology. Full length side/pit zips thru the waist hem allow for complete access to kit, comm's, and ease of donning/doffing. Stowable, fully adjustable, and helmet-compatible hood with laminated brim keeps the elements out.

SIZES: XS, S, M, L, XL, XXL, XXXL

STYLES: 52088 (MULTICAM®), 62088 (COYOTE)

KNUCKLE ROASTER FR

KNUCKLE ROASTER FR

The Knuckle Roaster hand warmer is designed to provide warmth, comfort and dexterity in the field. Warm fleece lining means you can wear lighter weight gloves, or even no gloves, in cold and wet weather when you've got a warm Knuckle Roaster to park your hands. Rugged outer fabric provides excellent durability, wind and water resistance, and FR protection. Reinforced web belt adjusts to various waist sizes with an easy-to-use buckle.

STYLES: 50180-NP (MULTICAM®), 60180-NP (COYOTE)
